3/24/2021

Ms. Beck:

Following our recent telephone conference with the Court and pursuant to the Court's instructions, counsel for the Fulton County District Attorney and counsel for Plaintiff met via Zoom conference on Wednesday, March 24, 2021. The parties agreed to the following schedule:

By April 9, 2021, the Fulton County District Attorney will communicate to Plaintiff's counsel a detailed response to each of the three subpoenas;

By April 16, 2021, Plaintiff's counsel will communicate to the Fulton County District Attorney the extent to which they accept or contest the detailed response; and,

In the event that the discovery disputes arising from the issuance of the three subpoenas are not resolved by the parties, the Fulton County District Attorney shall file a Motion to Quash by April 23, 2021 and the timing of Plaintiff's response to said Motion shall be governed by the Local Rules of the Northern District of Georgia.

Please contact me in the event that the Court has any additional questions.

March 17, 2021

Ms. Beck:

This is written to clarify that the discovery dispute between Plaintiff and the Fulton County Attorney's Office arises from three separate subpoenas.

The first subpoena, found at Doc. Entry 64, seeks production of the contents of cell phones seized from Defendant Abdulahad and his partner, Officer Roberson-El, pursuant to search warrants executed by the Fulton County District Attorney's Office in September of 2019. Copies of the subpoena, D.E. 64 and 64-1, are attached, along with a copy of the search warrant executed served upon Officer Roberson-El in September of 2019.

The second and third subpoenas issued to the Office of the District Attorney consist of a subpoena for the production of documents, see Doc. 65-1, and a subpoena seeking inspection and testing of the motor vehicle in which Mr. Phillips was riding when shot by Defendant Abdulahad, see Doc. 65-2.

Thank you in advance,

Brian Spears

Ms. Beck:

This email is sent to you pursuant to the Court's Standing Order in this case, Doc. 2, which, at page 12, Paragraph G.3. provides in pertinent part that discovery disputes which cannot be resolved through the good faith efforts of counsel are - prior to the filing of any motion to compel - to be the subject of a conference call with the Court.

This discovery dispute involves a non-party, the Fulton County District Attorney. Two subpoenas were served upon the District Attorney on January 7, 2021 – one calling for the production of documents and the other calling for the inspection of physical evidence. Although I have been in communication with the attorney representing the District Attorney in this matter, no production or inspection has occurred.

The Office of The District Attorney and its attorney, Ashley Palmer, have been notified of this Court's instructions with respect to the handling of discovery disputes.

This is written to request that this discovery dispute be the subject of a conference with the Court in accordance with this Court's Standing Order.

Thank you in advance for your assistance in this matter.
